Smokefree Policy

Operational Policy Adopted:	October 2009	Moved	Bill Hilton
		Seconded	Phil Harman
Next Review date:	September 2010		

1. Background

Waimarama Surf Lifesaving Club is committed to creating and achieving a healthy and safe environment for its members.

It is the aim of Waimarama Surf Lifesaving Club to prevent, as far as reasonably practicable, the detrimental effects of smoking on the health of members and those we support.

2. Guidelines

- No member may smoke within any part of premises and motor vehicles owned or controlled by the Club.
- No visitor, tradesperson or any other person not associated with the Club may not smoke on Club premises or in any Club vehicle.
- Individuals and organisations hiring Club owned buildings will be advised of the Club's no-smoking policy.
